

Children's and young people's rights are important in our school. We have been able to contribute to shaping the vision, values and aims for our school.

<b>Evaluation!</b>	<b>Very Good</b>	<b>Excellent</b>

### School Parents & Staff

"Good emphasis on 'rights' but importantly not falling in to the trap many fall in to of ignoring 'responsibility', which is also given good emphasis"

"The children have done a lot of work in relation to rights. They have used this information to help inform their decisions in creating a shared vision"

The Pupil Council are consulted on many issues within the school.

### Pupils

All our rights are good.

I think the olders could be nicer to earlys.

Its ok, some people dislike PSA's.

Its good but if somebody falls and you go to help them people tell you to leave them alone.

Excellent, everyone knows everyone so very good.

### Mr Williams

The rights our pupils have is very clear to all. This has helped us to create our vision and school song around our values named 'Hand in Hand'!

### Action to improve

I will emphasise to the pupils that we need to respect our PSA's and that they have a duty to protect and care for pupils outside. Any prolonged disputes need to be taken to the Head Teacher to solve.

Our vision, values and aims song needs to be finished to complete our an inclusive message of who we are.
