School Values, Vision and Aims

- We have finished writing our school song: 'Hand in Hand'. We have now called for help from many angles to try and have a recorded backing version that we can practice along with. Hopefully we will have it ready for our end of year celebration.

Student & Volunteers

- I would just like to take this opportunity to thank Miss Caitlin Marno for her outstanding student placement at Foveran School. She has done exceptionally well and we wish her all the best in her career going forward.
- We continue to have Mrs Joyce Mackie volunteering at Foveran School. She is helping the pupils every Monday with achieving their Skill's for Life, Learning and Work Award.
- Mrs Jane Pryor will start volunteering regularly in the school every Tuesday and Thursday. She will be assisting Mrs Moffatt with the infant PE run, supervising Tuesday's playtime with Mrs Moffatt and helping pupils in class and supporting the skills for life learning and work award targets, etc.
- Mr Brian Simpson is assisting Mr Williams on a Friday afternoon with Junior Jog Scotland and Golden Time at the park.

Telephony

- Just to remind everyone that our school has a new phone number. The old number (01358 789219) is now not operational.
- Our new number is **01358 281115**. This change is in line with the technology improvements being introduced across Aberdeenshire Council.
